The purpose of this course is to train the members of frontline teams how to respond to a potential incident of agroterrorism.

Space is limited, so early reservations are recommended.

CONTENT WILL INCLUDE

- Fundamental elements needed to respond to an agroterrorism disaster in a community
- Core competencies needed in a community agroterrorism/disaster response team
- Gain insight to the communities' vulnerabilities and plan strategies for prevention, response and recovery
- Strategies for building and sustaining a community agroterrorism/disaster response team
- Collaborative strategies for the community team to succeed with state and federal responders

SUGGESTED ATTENDEES

- Emergency responders, supervisors and managers, law, fire/rescue, EMS and OES
- Federal, state & local public health and environmental health agencies
- Hospital clinicians and health care providers
- Environmental health and public information officers
- Agriculture industries, including cultivation, processing, distribution, storage, transportation and veterinarians
- Elected or appointed public officials, and extension advisors

Course is pending California POST certification

United States Department of Homeland Security does not allow non-citizens to take this course.

[Map and Directions](#)

1. From CA-198 W toward Hanford/Lemoore, take the 18th Ave exit to Lemoore
2. Turn left at 18th Ave and go 3.6 miles and then turn left at Jersey Ave.
3. Go 0.8 miles to the Tachi Palace
4. At the Tachi Palace go to the 5 story Hotel. (complimentary valet parking available)
5. After entering through front doors turn right past the front desk, then left into the hallway.
